DHERBS.COM PARTNERS WITH THE RICKEY SMILEY MORNING SHOW IN FEBRUARY TO PROMOTE HEALTHY LIVING IN 2013 WITH THE FULL BODY CLEANSE

Rickey Smiley Morning Show co-host Ebony Steele will share her Full Body Cleanse journey with the listeners for three weeks

(LOS ANGELES, CA – January 18, 2013) – DHERBS.COM, the largest African American owned Herbal Company in the country, has partnered with The Rickey Smiley Show for February, Black History Month, to promote healthy living for 2013. Starting February 2nd, **The Rickey Smiley Morning Show co-host, Ebony Steele**, will start her 3 week **Full Body Cleanse** journey, sharing her ups and downs with the radio audience daily, both on air and via blog.

The Full Body Cleanse entails a basic dietary regimen consisting of all raw foods (vegetables, fruit, seed, nuts, etc.), scheduled daily herbal capsules and additional regimens, exercises and healing modalities that can be performed while on the cleanse. All components work together to begin the healing process with your mind and body.

Celebrities such Steve Harvey, Shemar Moore, Venus and Serena Williams and Kim Kimble have all utilized **The Full Body Cleanse** with great results.

DHERBS.COM offers a product line that is growing constantly to meet the needs of today's consumer. Products include intestinal support formulas, daily fiber supplements, digestive enzymes, Omega oils, high-potency probiotics and natural weight management products.

For the past 9 years, **DHERBS.COM** has made superior-quality products using only the purest ingredients found in nature. **DHERBS.COM** philosophy has always been that only through proper digestion and a sensible diet can people obtain the nutrients necessary to improve our overall well being, and it is that philosophy that continues to enable customers to achieve and maintain the vibrant health they deserve.

DHERBS.COM has an extensive online store - <http://dherbs.com/store/> - that features an array of products from cleanses to teas to candles.

DHERBS.COM understands that living a healthy life is not simply about one single category. For this reason, all products are formulated specifically with the health of the entire digestive system in mind.

About The Rickey Smiley Morning Show

In 2007, Rickey Smiley became the host of the "Rickey Smiley Morning Show." The show is a unique blend of comedy and irreverent commentary. Smiley brings to life his many beloved characters and bits, such as his famous prank calls, "Paternity Test Tuesday," "Wake Up Wednesday," "Gary's Tea," "News You Can't Use," and "The Joke of the Day." The show is a blend of laughter, serious discussion of social issues, political awareness and community outreach. Smiley is joined daily by co-host Ebony Steele, Rock-T, Gary Wit Da Tea, and HeadKrack. The Rickey Smiley Morning Show can be heard in 55 markets across the nation.
